Unknown to the great populations of the world, the great Intellectuals with new thought concepts, Educational lay-persons protecting their precious *ARISTOTLE'S* VICTORIAN MORALITY CODE, religious and field-generals searching for new ways for mind-control, implements of war, and oppression-do so, because of a BATTLE-CRY.

Every act of War, Famine, and Epidemics created and controlled, against only one type of lifestyle, is assumed to be protected from any type of judgement because of this Battle-Cry,

This Battle-Cry is a temporary Spiritual block from any spiritual judgement under a synchronized tribal ritual, that does have a duration.

WAR is a morality excuse for Murder. An Epidemic is a morality excuse to steal property from the true Landlord, and A Famine is a morality excuse to omit humans not born into the VICTORIAN MORALITY CODE.

Since the filing of- THE TE DEUM with the INTERNATIONAL COURT in Hague, on February 18, 6206(Julian) or 1493(Gregorian), every act of War, Epidemic, and Famine-thought out, to the present time, is assumed to be protected by this Battle cry.
