

short-cutting all the alleged mysteries of the book before one could determine what kind of astrology was being presented.

Of course the many books written about the Indian and his culture each had part of the system that would make American Indian Astrology only the Authors never knew it. I'm referencing the most written about one subject in the world, THE AMERICAN INDIAN.

I even had high hopes of finding some of the missing parts to American Indian Astrology from another culture.

Keep in mind that all Ancient cultures even though the Songs and Dances are different because of location upon the Earth, the Ritual and the teachings are the same.

This can be based from the concept or precept, THE CREATOR, GREAT SPIRIT is not an entity of confusion, so it would have to be the same.

After reading, THE WARS OF THE LORD, by Levi Ben Gershom (Gersonides) I now know that the Hebrews have forgotten everything the Isrealities taught them.

This would account for Hebrew Astrology being so far from the Old Ancient ways.

Whatever will be or could be your argument against, what will be read, you cannot overcome the confusion and division that is among your elite membership groups. Though such memberships would ever permit one Dumb Sioux Boy from the Plains of South Dakota to ever be considered, I have found nothing in writings that give the true purpose for a subject you call ASTROLOGY or when it will be needed.

The subject you call ASTROLOGY was put together to be confusing because the subject in original context was to perfect a science and could not be passed on because of certain simple human violations.
