

members to perform the ritual of controlling Nature by causing darkness (according to Gregorius Abu*1-Faragius, Supplementum Historiae Dynastiarum, ed. Edw.Pocock 1663, p.94) the darkness lasted one year and two months. That makes two years crops failed and many seedlings lost.

In the year of 566, JUSTINUS II, CAESAR was able to perform the same purchase that JUSTINUS I did in the 536 sell-out with white tribal members doing the tribal ritual of darkness which lasted one whole year. (Gregorius Hist. l.c.p.95)

According to Gregorius Hist. pp. 94,99 - it was done again and lasted eight months in the year of 626 A.D.

August 19, 733 A.D. One after the Battle of Tours again. (Schnurrer, Chron.theil i., p.164.)

To make a long story short, this ritual was performed 840 A.D., 934 A.D., Sept. 21, 1091 A.D., Feb. 28, 1209 A.D..

It was on Christmas Day (Oct.24 - Julian) (Dec.25 - Gregorian) 1241 A.D. that St. Michael promised if everybody would accept Christ as their Saviour verified by HALLEY'S COMET that passed the Earth between 10 B.C. and 0 A.D. as the star of his birth, Darkness would stop. The following day the Sun gave its light. Tribal power had been broken and there was a new religion. Chronicon Claustro-Neogurgense (of the Monastery of Neuber, at Vienna); Pez, Scriptores rerum Austriacarum, Lips 1721, tom.i.,p.458.

February 1491 A.D. the AERIUS EMPIRE sold the old Roman territories back to the descendants of the old Roman Empire.

1547 A.D. 28 years after Hernando Cortez landed in the America's, next to the last time this Darkness ritual would be used. It was on the Spring Equinox and Good Friday of the new religion - a battle raged between a Roman leader named CHARLES the V who had all the weapons of war purchased from the old AERIUS EMPIRE was every bit as powerful as the old Legions of Rome but could not defeat this Saxon tribal leader with his band of Warriors because when CHARLES the V started his attacks, the Sun would give no light and there would be total darkness. This was on April 23, 24, 25, 1547 A.D. (Kepler, Paralipom, ad Vitellium, quibus Astronomiae pars Optica traditur 1604 p.259; Stella Nova in Serpentario, p.113). There was no winner or loser from this Battle. However, it proved White Tribes knew in full, they no longer knew the ritual of darkness found in the original Bible first printed in 451 A.D.
