

MOVE THE SPIRIT

Even if many will say: WHAT HAS RELIGION GOT TO DO WITH PAST HISTORY? it can be tied to every present and past historical event. From the death of Julius Caesar to the present celebration of Columbus Day, religion caused the signing of a treaty and the killing of thousands of innocent people called: THE INQUISITION all because of Christian religious rituals found in the original translation that was omitted in the new translation.

The change-over can be concluded as a change in religious tactics for it's followers. Christians of the past kept Peace on the Earth by using the forces of nature to make nations and countries behave. New Christians of today using the new translations use forces of Implements of War and Destruction, Police Action and Mind Control to make Nations and Countries behave.

Don't get the wrong Impression, I'm all for Religion. It's the new or Translation I've got arguments with. To me, there's a big difference between using nature to do your work - versus - carrying a BIG GUN! To anyone calling on nature to do the work, I'm for it. I mind my own business. But you point a GUN, or use Police Action or Mind Control, when I'm legally right, this is entirely a different MATTER!

What these alleged Christians have no idea to or have no knowledge to is this Christian bible has gone through two (2) different time dispensations, after which it got a new translation. PLUS! A religious organization does THE PRAYER OF ATLANTIS every day at an appointed time so the TIME WALKER SOCIETY on Indian reservations will not reawaken which is part of the original Bible; Every full Moon another religious organization sings PANDORA'S JAR OF PLAGUES (Song of St. John the Divine) so the Song of Creation will not be done again on Indian Reservations, also apart of the original Bible. The KING JAMES VERSION, which all Religions follow, was re-translated by the BEDE (Bede) SCHOLARS OF ENGLAND in the 1500's, while the original Bible first printed in 451 A.D. and distributed throughout the world, did not get re-translated until 1716 A.D. by the PETERBOROUGH MONASTERY.

In the BRITISH MUSEUM OF ARCHAEOLOGY FINDS sit the SEPTUAGINT BIBLE, but also in this same MUSEUM sits an Ancient translation of the bible taken from the territories of the American Indian here that outdates or is older than the SEPTUAGINT by 2,000 years. (re; HE WALKED THE AMERICA'S)

So the Indian of the America's has been learning about these writings 2,000 years before the White Man started to read the KING JAMES VERSION.

Of course, over 99% of American Indians do not practice this original religion because the United States Congress passed a Resolution on November 20, 1890 making this ancient Christian religion and its culture HOSTILE to the United States. Of course, they had been given new religions of WOVOKA, BLACK ELK, AND HANDSOME LAKE, just as Spain gave a new religion to the Indians of Central and South America called ISATAI after (Historians say) a few million Indians were killed. But Scholars say it was closer to 100 million Indians.

Even if many will say: WHAT HAS RELIGION GOT TO DO WITH PAST HISTORY? it can be tied to every present and past historical event, From the death of Julius Caesar to the present celebration of Columbus Day, religion caused the signing of a treaty and the killing of thousands of innocent people called: THE INQUISITION all because of Christian religious_ rituals found in the original translation that was omitted in the new

translation.
