it becomes hard to comprehend that the JURY who are alleged to be ignorant of the Classified crime, are highly qualified and intellectual sound in their knowledge of the unpublished SUB-CLASSIFICATIONS to the classified crime.

There is no educational subject or a scholars convention or a warning that the SUB-CLASSIFICATIONS are not to be discussed with an Indian because it would violate still another classified crime.

The classified crime is restricted by the unpublished SUB-CLASSIFICATIONS which are so precise that only a scholar at Law could relate it properly.

So, it is always presented in context:

SOCIETY which can be named, CITY or COUNTY or STATE or COUNTRY demands to be satisfied, if a crime is committed against a PERSON or against ANOTHER HUMAN BEING.

In these government Indian schools, there was no Complaint or Charge or Individuals Ignorant or One to satisfy society in the demand of the death penalty. Only the Executioner!

So, as this small Indian child, you were forced to watch these death penalties carried out. There was no representative for an Appeal or a Reversal or a Trial or a Re-Trial.

What can of crime or law is this?

Is there a tangible in crossing a line in logic, or

Is it a covert operations in which the exact crime is to be concealed by the statement: THE ACTS WERE UNEXECUSABLE?

Fifty(50) years later and after having to witness over 100 such death penalties carried out on small Indian children and personally surviving two such death penalties which did not cause my death, but left me in a hospital twice for 30 days in intensive care, and each hospital stay, the mind remembers and knows the exact moment a person
