

that others will jump in and relate some of the events even though they did not go on this trip and had no knowledge to the personal events that happened. That is how exacting the law and arrangements of our languages are. These stories or legends also fit this law but because there are no words in the english language to ~~express~~ many expressions, their full meanings are limited to the phrasology we have learned in schools or perso contact with the white man. Because of these limitations the reason for the story told cannot relate the reason for being told. For this reason, old ancient traditional Indians do not and can not be made to add to many translations made by Antiquist, because they know that one cannot properly translate Archic or Hyro chpics languages without the knowledge to the law and arrangements of the multiple concept languages. We call them Earth languages. But that is still another subject.

Our American Indian culture is geared for the children which is the yet unborn because children believe it or not, grow up and have children

The Medicine and prayer wheels, the fire disc, the Gau, the song and da are for children only. For no other reason.

The stories and legends in the beginning are to teach the young to relate to all creation.

Next, we are a tribe or race that are children of TIME. In Institutions of Letters throughout the world, it is known that we next teach the young the science of time. The Serpent that you have seen in motiffs in either beadwork or pottery, to us/^{is}the exact science or concept in time.

We teach that light is created or is a by product of time that travels at 194,826 miles per second. We know the velicity of Earth in Orbit at 66.660 miles per hour times 100,000 times 100,000 equals the Earth in Weight- times 10 equals the atoms that can be found in one drop of water.
