

What did the American Indian call these people?

You have to take into consideration these people according to the treaties and the stipulations, were good friends because the Indian did not have to war and defeat to get these terms, even though they defeated the rest of the world without any mercy. So the naming of these people even though it is slang or slang expressions, must be through tribal courtsey, the exact place since the beginning of their culture.

Like the tribal slang word for the civilized is that... Just that and if any aboriginal tribes get surprised because their lands and resources are being taken, they've forgotton their tribal knowledge because the slang expression said they would till the end of time and time is referenced as the end and the beginning of the coming Migration or Ice Age.

M O R A was the Indian ~~slang~~ expression given these people which told that they were the last of their culture and lifestyle.

They were- a Light ^{SKINNED} ~~skinned~~ tribe that came from their original homeland who had a number of years and days before they would disappear as a culture and lifestyle off the Earth.

They believed in the CREATOR'S DAY and the cycles to this Creation and the Time Cycle.

Moors used by the civilized nations was a slang expression taken from the Indian word of Mora. Like Indians is a slang expression taken from the priginal name given to people of the America's. LOS SIN DIOS.
