At night, it is cold and damp. But during Highnoon, it is Hot and humid. Maybe its the metal that makes such a change because the drying of the Kilo's should give off pressure heat according to scientific theories. Somehow science forgot to properly equate this situation, and so did the TIME WALKER.

This Sea Vessal is flying the flag of ciphers which according to International Law, cannot be disturbed on its Voyage. The Cargo is pure Garbage.

Garbage is translated to mean- REFUSE MATTER. ANYTHING WORTHLESS OR DISGUSTING.

But this cargo, according to the Federal Manifest, was requisitioned for no less then 300 million dollars, payable by PRINT if properly received by code and cipher. In a lay-man's-language, it means that at the distantation point, receiver must give a string of numbers to a computer, taken from the shipment invoice which automatically transfers funds from the United States Treasury through Grand Cayman Island, unto Austria and into Switserland. It carrys the highest International Code because the event is the fulfilling of Treaty stipulations of the United States.

So the Cargo is not worthless according to the mind of a business Man, but according to the TIME WALKER; It is Garbage! For good reasons too.

If all the civilized countries in North and South America who operate by the country's Executive Orders in dealing with Indians, distributed the finest available to Indians living on reservations or restricted lands that is the same as a product, that this Cargo is carrying- with the exception of the United States, who contracted another country to grow the product under exacting scientific formula's that was the result of over 10 years of research.
