It really doesn't make a hell've alot of difference when the RFD NECKS and their religions, complain about American Indians doing Confrontations to slow down the death rate of the American Indian; or another type of people trying to convince U.S. Governmental Officials that suppressing and oppressing the Indian will assure that GOD'S chosen will stand a better chance of making it to HEAVEN-----because legally, The Indian of the America's is the LANDLORD which can be proven and outside of 35 square miles in the United States(18 in Minnestoa; 17 in Washington), when you attack the lives of the American Indian, they have the right to complain.

Government Officials can make almost all Indians into DRAGCOONS, to keep the Indian from any confrontations so that their issues would never be heard; as long as there are Two Signatory Indians that complain, all the civilized nations since Columbus, must stop and listen to the complaints

WHY? Because the confrontation of the American Indians is PROLONGING DESTINY! NOT HIS, BUT YOURS!, which includes all the Indians who have given their allegiance to being a DRAGGOON for some civilized nation so that tribal lands will be terminated and complaining Indians will be destroyed.

An Indian Confrontation, is a spiritual and physical substitute so that the tribe will not use the Rituals to the FIRST-BORN(archangels) and the CLAN MOTHERS(angels) because all tribal FIRST-BORN belong to the CREATOR, and tribal CLAN MOTHERS are the DAUGHTERS of the GREAT SPIRIT.

W O W ! What a statement! That just blew all spiritual and religious groups to hell- right now! There would have to be proof for that statement!

I thought you'd never ask!

To find the answer to this statement- as Chief Fools Crow of the Dakota (Sioux)would say- you must make a spiritual quest.
