

according to International law, DRAGONS and you now know who they take their orders from. The DRAGON of Revelations 13:02.

For the next bit of religious history. A tribal ritual called: THE CATHFFING, which has been named by the civilized as WARS OF THE LORD, Numbers 21:14 and if/^{you}can find an ancient Bible Scholar, Angels or Archangels will be well explained to you. Don't go to the writings of LEVI BEN GERSHOM because the Jews have forgotten all the teachings of the Isrealities to the powers of Clan Mothers and First-Born found in Exodus 12:29; 14:20; Numb. 21:14.

The American Indian use Confrontations for a good reason, which is not only to prolong destiny, but trying to avoid the use of Clan Mother and First-born rituals, which if used, could trigger the next Global Catastrophe that ends as an Ice Age.

These rituals, all tribes dread because they must face a situation that they neither wish to think or talk about.

Every Indian in North and South ^{AMERICA} ~~Latina~~ knows that the day is coming that they must either be denied or must leave behind loved ones that cannot be included in the Great Migration.

Their biggest excuse they presently have, IS THAT IT WILL NOT HAPPEN IN MY LIFE TIME!

If that be so, why are people going to EGYPT on a minor synchronizing of the Planets in March through June of 1990?

Because these people know that is the time all traditionals will come back into their knowledges for the coming of the next global catastrophe.

These are peoples that don't believe in the old tribal way but are looking for a way, that they might be included.
