

SYNCHRONIZING EARTH TIME

It cannot be avoided, overlooked, or ignored. It is a Spiritual Ritual requirement. It matters little or makes no difference if you are a fellow believer or Leader of any world Religion, Occult, or a Tribal Prophet- the requirement gives reason for all Prayers, Chants, Songs, Dances, and all Teachings or Mantras.

It establishes the foundation for your spiritual center and makes you aware of the Intelligence that Creates.

Of all the steps you must meet in your religion or occult that establish you as spiritual and a faithful believer, the requirement makes it impossible to be the faithful by using the science of HOMILETICS.

I personally find it hard to accept, where individuals claiming to be spiritual or religious, do not know the meaning of this science.

HOMILETICS, if it was translated down to a lay-man's language, it is understood to mean- TO BE PLACED IN A HYPNOTIC STATE THROUGH PHRASEOLOGY.

In other words,, there is a science on how your religious teachings must be presented according to rules laid down by The Truène Confederacy for believers.

This science comes from the Old Greek, HOMILĒTIKOS, which is to make all individuals in a Hypnotic state, sociable.

For this reason, after leaving their place of worship, they will kill, steal, and rob from anyone. They are no longer in a Hypnotic state.
