

Seaboard and some parts of the Lake region of COAHUILA, in old Mexico however it is the Wampum Belts, Dress, Baskets, and Language stock that are identical with the SENECA'S in New York. The Indians in Mexico call themselves ATLANTES while in the state of New York they call themselves SENECA'S, which is not their true tribal name; (1)It is a Roman term, and (2)It could have been given by George Washington who started the Free Masons in this country and some Indian tribes. (PEOPLE FOR THE STATE OF NEW YORK v. BOOTS, Cy.Ct.N.Y.1981)

Not one of these people who claim to have been CLEOPATRIA or a citizen of ATLANTIS in a prior life through dreams or visions can relate to what is in this book or any other Ancient knowledge, so their dreams or visions must have come from the romancing tales of the Producers of Hollywood Movies. I'm not saying that you cannot have a spiritual experience genetically of a prior life, only that when you have this experience the Indian and its tribe is still foreign to you and you do not bring back a media of a tribal denominator, which is impossible because it shows just what is a tribe or a clan, and not what books say it is, and you would relate to Indians who are true and not to the Ancient knowledge. In short, you would know more about being an Indian than most or about 90% of Indians on reservations.

I am not a Prophet of Gloom, a Guru, or any one of those other guys, but a descendant of the Ancients or a little dumb Sioux boy for the plains of South Dakota who has certain documentation, evidence, records, experience Ancient knowledge and is looking for other descendants of the Ancients who are White, Black, Brown, Yellow, and Red to share and fellowship with, and state: NOW IS THE TIME.

As stated: "to share and fellowship with" and not romance you into believing and following the spiritual way of the Ancients. This you must do by yourself and understand it. For me to romance you, would be violating a heavy spiritual law. I do not believe in HOMILETICS such as christian
