

to ten rules or laws or requirements found in the second separation of the book.

RULE 1: To enforce or use violent force by the CREATOR'S fire or water was forbidden and permission was needed in case a War or a Time Warp.

RULE 2: That the Great Serpent(which is a time concept for Ancients) could not be used to create walls or pillars of Fire, except when the people have returned to the true worship of the CREATOR, GREAT SPIRIT and it is possible that their worship could be stopped and spirits of the people would become subject to the teachings of a False God.

This gives some idea of the power under the Matriarch Society that women who knew and practiced their Clan Rituals have. They had the power of the Universe.

RULE 7: Identify all objects found in places such as Kivas, Sweat Lodges, and old Long Houses, and Cliff Dwellings, and Indian Mounds plus their locations are to be touched by Ancient believers only because these things belong to the CREATOR, GREAT SPIRIT.

Look what Antiquist and Anthropologist have done and are still doing.

RULE 9: Applies to members of the Patriarch Society who are identified as those who no longer know their tribe or Clan or the Clan Rituals to the Great Serpent but still follow the Ancient and his beliefs or rituals, who are not permitted where communication takes place with the CREATOR, GREAT SPIRIT which would mean the Sacred Circle. In short, they are not permitted to use tribal or clan equations.

You now have an idea, what makes up an Ancient Prophet. Can you Imagine a civilized Prophet taking orders from a woman?

This Ancient Prophet, through his or her spiritual walk, teachings of Clan Rituals, times of the Great Serpent, and the Mathematical Equations through an established Tribal Ritual, must chose between two(2) types of Prophets, because there are two ways to prophesy and two kinds of visions or prophecy.

THE FIRST WAY, using Rules such as found in the book wars of the Lord; Mathematical Equations of the Great Serpent and Clan Rituals; the examples they are to follow are like the Birds and Animals that go South for the
