

Winter and return in the Summer or Spring. These Bird and Animal Kingdoms prophesy in their intellectual system then go to the North or South because they deal directly with and are under the influences of the GREAT SERPENT of time. This Prophet must learn how to be influenced by this same method, too prophesy coming world events in history.

THE SECOND WAY, is to go without the rules found in the book wars of the Lord, no clan or Serpent time mathematical equations. There is a training program that goes as follows:

- 1: To live with nature,
- 2: To study the spirits in oneself and others, know the outcome of them to their lives.,
- 3: To eat only of Plant life,
- 4: To use the Sweat Lodge daily,
- 5: No passion with woman physically or in the mind,
- 6: To meditate and pray to the CREATOR, GREAT SPIRIT all day and night,
- 7: To make the Mind obey by:
 - a) sitting and standing in the same position for three days,
 - b) to speak on the same subject for three days without repeating - yourselg,
- 8: Feel no pain,
- 9: Do a good deed or act everyday,
- 10: To study everything that is influenced by time.

You will receive your commission as a Prophet by those who have gone through the above.

You now have overcome sex, personality powers, appetite for good living and foods, ambition, leadership, fame, opinions of your family-friends-the tribe-and the world.

You are aware of light, time, and spirits. You love everything you see and touched and can even put love in food and the homes you pass.

There is another type of prophesy among the civilized religious orders that is very common. To prophesy with spirits speaking through the individual, which is very dangerous because unless you have been trained as the Second type of Ancient Prophet, lying spirits do and will speak through you.
