

Never heard of them! True! You never will outside a very elite group of Archaeologist and Geologist.

Just what is so bad that this report had to remain secret!

FIRST: Evidence that cannot be disputed, that the American Indian lived at the time as a tribe or race, with the CRO MAGNON or NEANDERTHAL MAN, which ever is your preference.  
 SECOND: This Indian as a tribe or race, lived with the Dinosaurs of the Mesozoic Age.  
 THIRD: This Indian as a tribe or race had living habits, dress, arts, cooking knowledge, religious rituals, and with a body structure the same as when the white man first <sup>found</sup> him when he came to these Shores and the same as the Indian you see on the reservations.  
 CONCLUSION: If the Indian has remained the same in the Dinosaur age as he is <sup>found</sup> today, then he must have been the same since the beginning <sup>of</sup> time and cannot be included in Darwin's Theory of Evolution.

No other race or tribe, or culture or lifestyle, can say that <sup>THEY</sup> too belong in this conclusion. This Geology find has been nick-named: THE VERO and MELBOURNE MAN.

If we take another report: THE VERO and MELBOURNE MAN, I. Rouse, Transactions of the New York Academy of Sciences, Ser. II, Vol. 112 (1950)

They know how old and when these fossiled Indians lived along with the Dinosaurs within 2000 years. They know who the descendants living today are and what Ancient Empire they came from. If one was to visit the Lake Regoin of "Coahuila" in the country of Mexico, you would <sup>find</sup> Indians that make ~~the~~ Baskets, Wampum Belt, Dress identical and sing and dance, and speak the same language stock of the Iroquois Confederacy and these Indians call themselves: THE ATLANTES. We will touch on the same language a little later.

If we take still another report: <sup>IN THESIS CFC</sup> SYNTHETISCHE ARTIDUNG; Nilsson; include the Song and dances of some California Indians-The American Indian Legends on the end-time catastrophes of an Ice Age is correct.
