While Archaeologist play with the theories on an Ice Age and are instructed to tell in theory, that the last one happened about 35 million years ago, their leaders who are very elite, know the Indian has a time scale when and how they happen which is every single-digit thousand years. How the American Indian overcomes the forces of a global Catastroph that destroys every living thing and then recreates life again different then the prior one. How the Indian escapes these forces unharmed, is the information that is being sought.

The only description that can be given for the Global Catastrophe that the Indians call; THE GREAT MIGRATION, in which there are signs

or writtings for it ⊕ The GREAT SPIRIT can cause happiness and sadness, destroy and create, and can heal and poison. The condition of the earth prior to the catastroph and what it is doing to correct it, is called GOOD MEDICINE. For this reason the Indian Medicine Wheel is one of the signs for this catastrophe.

While everyone else will be in total fear at this time, the Indian will see the Good Medicine because they are guardians of Mother Earth.

As Ancients, one must take into account the period before each Great Migration.

- 1) As Ancient Indians, will we be writing in our Ancient Languages, or,
- 2) As Ancient Indians, will we be writing in civilized languages such as,- the one you reading at this time. It is a civilized language and not the CREATOR'S so it is not spiritual. To date, every one of these civilized languages has made it a crime to practice Ancient knowledge and wisdom handed-down by the CREATOR, GREAT SPIRIT.

The above are complex mathematical dimension equations which are Ancient.
