

could be RIGHT or WRONG, only that having once TIME WALKED for the first time, the experience would answer all my questions.

Exactly like in the book, MEXICO MYSTIQUE, by Frank Waters published by Sage Books of Swallow Press Inc.

If the treaties that had been signed and had not been buried when they went from the Julian to the Gregorian Calendars, these Indians would still have reservations and descendants. The conditions of these treaties can be found in the document: THE INDIAN MANIFESTO, written by me and the Occupancy of Missions in California in 1972.

These treaties were signed prior to when White Spain came into power by purchasing land base from the Moors in the year 6204(1491-Gregorian) and these treaties are often called: THE VATICAN TREATIES or BISHOP'S LAND.

The Treaty of Guadalupe Hidalgo could not exclude them and neither could the United States.

Correct history should read that on April 21,6232 Julian year because the Gregorian had not come into use yet; Cortez with his 500 Freebooters attacked peace loving Indians and destroyed them. These Indian were protected by treaties with Spain, signed when the Moors were in power.

Now this should have been the beginning of Frank Waters book: MEXICO MYSTIQUE. The contents would have been entirely different and not the Garbage you read in it. I guess the only reason it was written in such a manner was to forever cover the violations of these treaties by presenting these Indians as practicing Human Sacrifice and Blood Drinking.

But this is neither here or there. What we are interested in, is the rituals that still can be found in books such as the one mentioned

In the writings of Ancient documents and especially of the ones that were not destroyed, the facts presented are so far out, that one of these days the rubber band will be stretched to far and break.

But lets go back to VENUS and all that has been written about this Planet. What everyone has been writing about a 52 year cycle, I find the Codexes make reference to 50 times within the time span of the Winter Count
