

so he was member of the Eel Clan. Now KING DAVID sent this woman's husband on a journey to the front lines of a war and was killed.

Now KING DAVID and this Isrealite woman were married so he had to be adopted into a Clan and tribe before they were married. That is Clan and tribal law. There is not one Christian or Jewish religious leader or International Lawyer that can dispute that fact.

So, to come into THE HOLY OF HOLIES and pass through THE VEIL( the American Indian use an expression for Dimension) one must know their Clan and tribe.

There is one object used in THE HOLY OF HOLIES by the American Indian(objects can vary because of their location on Earth) that few people in the United States realize its purpose. The PRAYER WHEEL, which is a Cen that lays flat and turns by itself has a tripod over it from which the five rings of the prophet hang; then there is the MEDICINE WHEEL with the four Medicine persons(North, South, East, and West); The SEAT OF AUTHORITY which the Head Clan Mother sits; and last, The SACRED FIRE, where one can find the many types of Bread,-Bean, Corn, Bush and the most popular one you can buy at Pow-Wows-Fried Bread; and the Pudding which is hard for the Indian to make today.

The one object that I want people to realize was the PUDDING. It has been renamed BUFFALO PUDDING and is made from Buffalo meat, Choke cherries, flour, and water.

One day a White Man told me the following: " WE COULDN'T BEAT IN A WAR, SO WE DESTROYED YOUR ECONOMICS BY KILLING ALL THE BUFFALO!"

I replied: "YOU KILLED ALL BUFFALO SO THAT ONE DAY THESE LANDS WOULD BE CURSED!"

He never understood what I had said.

But, just what could possibly be, the purpose of the method used by the Indian of the America's in keeping calendar time? and, how long is the method to be used?
