

that was (-), making a total of 400 days making one Ancient year of LIGHT. But for the spiritual, one 198.89507 days in TIME that was (+) and one 198.89507 days in TIME that was (-), making a total of 397.79014 days in TIME for one Ancient year.

The DIMENSIONAL TIME CHANGE caused by VENUS remained the same except tribal scholars now had to calculate positive and negative TIME cycles to this Planet.

But what has been shown so far with the exceptions, of the Dimensions Time Change caused by the Planet VENUS and the concept of an ASTROLOGY WHEEL; all this and much more is known and could be presented in a more articulate and accurate manner by the Cibola Group who are searching for the seven underground cities where the Indians on a MIGRATION TRAIL stop and rest; and the research group (many are funded by the government) that have studied all the MIGRATION TRAILS of the American Indian, who have traveled not only through North and South America but through many parts of Africa and Asia. I have been privileged to see some of their Libraries.

Next! To explain why so much money, talent, and time--that has been given these subjects by all the civilized countries since the beginning of civilized history, one is in a mental-block! Why? In an old Ancient language individuals can discuss in great detail and breakdown what one must overcome and do, to be able to travel in a GREAT INDIAN MIGRATION. Next, to take these ancient discussions and try to find english or any other language that has ungone THE SIGNS, SOUNDS, and SYMBOLS conversions of the civilized, there are NO words, expressions, or phrases that will present the same ideas and concepts. For anyone that is not a scholar in any subject, this is pretty hard to believe. But any scientist or scholar
