

While the American Indian will continue to use the specially grown Drugs and drink the specially formulated strong drink for reservations by the United States, the Indians today will not believe what they have been ^{told} today, so they will not pass ^{it} unto the next generation, but not so with the civilized nations. Remember! They want to know the secret of survival from an Ice Age, so THE CIBOLA and TRAVELING STONE PEOPLE have a brand new problem in the form of another group who will ^{be} criss-crossing their evidence. The Arcane jurisdiction of what has been said today has to many holes to keep it secret plus evidence and scientific finds are so overwhelming that it staggers human imagination, so it will have to be included in the teachings of higher Institutions of learning but because of a jurisdiction problem, the Indian will be unable to attend these schools to learn it.

This alleged scientific conclusion and the direction it will be used which has already been distributed among the Antiquity Scholars of the world and is a few months old, is taken from an Indian treaty which cannot be properly translated due to the fact that medieval Latin, Greek, and Aromic languages have been burned off the face of the Earth.

The report concedes what I have told you is true but one additional discovery has been made and why the Indian does have or receives this knowledge to escape a global catastrophe due to the following fact:

THE INDIAN IS A BY-PRODUCT GENETICALLY AND WAS ENGINEERED BY PEOPLE FROM THE SOLAR SYSTEM OF PALATUIS. THE TRANSLATIONS ARE ALLEGED TO BREAK-DOWN HOW THE INDIAN WAS CREATED GENETICALLY, TWO LUNGS, TWO KIDNEYS ECT. THESE ANCIENT WRITINGS TELL HOW THIS ISOLATED D.N.A MIXED WITH THE ALIEN SYSTEM WAS PLACED IN THE CANCERUS WOMB OF THE INDIAN WOMAN AND SCIENTIFICALLY ANSWER FOR THE CIVILIZED WORLD WHY THE INDIAN IS DIFFERENT.

If the Indian thinks that being killed and cut up for spare body parts in the past was something, they haven't seen anything yet.
