

I depended on Tribal Genetics plus the Sweat Lodge or Kiva or Long House and Prayers, Meditation, Songs and Dances, all done spiritually would open the heart and eyes of understanding of the Indian.

50 years later, it can be assume, it has not! So there must be another reason.

The following was taken into consideration. Lands and resources taken, white communities oppression, Governmental restrictions, governmental grown and distributed drugs; and the weekly allotment of strong drink by the government; as long as the Indian was permitted to practice his Song and Dances and his rituals, tribal genetics should have opened their eyes.

Everything taught traditionally, states it should have worked with the exception, if the Indian or someone who knew an Indian ritual, was using this ritual spiritually, then it would not work.

But I had,-- studied the Witchcraft rituals introduced to Indian tribes by white disciples of ISIS'S EYE, in Canada, United States, and Mexico- but there was nothing in which an Old Indian Ritual was used. 20 some years and the gathered information in that time will always start to piece itself together.

1. Having fellowshipped with groups seeking the knowledge and lands of the Lost Continets of MU and ATLANTIS, I was given the contents of a prepetual prayer chain, done daily for centurys, against the descendants of MU and ATLANTIS so that the TIME-WALKER and its ritual would not reawaken. This was around the late 60's and early 1970's.
2. But it wasn't till the early 1980's, when research on THE VERO AND MELBOURNE had been completed, which such evidence started in 1917 and has appeared to be completed in 1950, it did become clear that governmental agencies knew who the descendants of MU and ATLANTIS were.
3. In the late 1970's, I knew about the One treaty and two Papal Bulls filed with the International Court in Hague, that the boundry lines of these alleged lost Continents were known legally.
