

omit the Mathematical Clan Equations of the FIRST-BORN, CLAN WOMAN, MEDICINE, ELDERS, PROPHETS, and the much feared TIME WALKER; and the 200 tables of the WINTER COUNT- that originally was part of this science.

Efen the scholars of Astrology live under a DOUBLE-STANDARD because while they work up a chart, according to the placement of Planets and the signs of Zodiac from Julius Caesar's Moon Calendar- then present their new findings to each individual; their basic knowledge comes from Antiquity and Anthroplgy translations of Ancients and their knowledge.

These Astrology charts fail to present the findings from these scientific conclusions on the Ancients knowledge- to the different degrees of Planet synchronization that detrimined changes that would take place in world societies. The rewards promised for translations of this knowledg such as having the works published and recognâzed is not open to the Indian of the America's, One of these translations caused the United States Congress to pass THE AMERICAN INDIAN RELIGIOUS FREEDOM ACT and THE INDIAN WELFARE ACT after having caused with other nations, the known Aqparius Age of the 1960's and 70's to isolate possible Indian descent who would join the Indian on the Great Migration.

So, any conclusions from this White Man's science today, would be a guessing game and the Indian group could end up like the petrified VERO and MELBOURNE MAN of the last Ice Age, or the petrifiâd European, Melanesian, and Eskimo type in a cave on a chinese hillside of the Ice Age before the last one.

The Indian of the America's will now have to turn back to his original ancient culture and lifestyle where he will the science needed, that will show him how to escape fossilization and not turn to stone.
