

But Scholars, Historians, and Schools of War, such as WEST POINT will all remark- HOW WAS THIS POSSIBLE? HOW COULD AFEW THOUSAND WHITE TRIBAL WARRIORS DEFEAT THE GREAT LEGANDS OF ROME? THIS IS NEXT TO IMPOSSIBLE To find this answer, we must look into the journals, on the trials to the INQUISITION COURTS.

DRAGON ALARIC and the tribes of SAXON, ANGLIA, MERICA, and NORTHUMBRIETH were known as The KLEOPATRIA TRIBES.

After the descendants of the old Roman Empire purchased original land titles from the White Tribes in 1491A.D., The International Court in Hague through INQUISITION COURTS by jurisdiction from SECUNDUM LUNE DETERMINABANTUR Bacon, VI., §88,;; AERIRA -v- AEREA: AEISAMENTUM -v- AISIAMENTUM;; and AELICUS -v- CAELICUS. now brought to trial White Tribal Descendants who were still in newly purchased Roman Territories as of February 17, 1493A.D. who were now identified as members of THE AERIUS EMPIRE.

What has covered the trail of Rome's INQUISITION COURTS and Historians even today, haven't been able to find one MOORISH CITIZEN that ever existed or lived. They can't even find his language. MORA or MORAC or MOORISH are American Indian expressions that identified members of the AERIUS EMPIRE

These trials were in the language of MEDIEVAL LATIN. Not modern but Medieval.

FORGET WHAT HISTORY HAS SAID, WAS THE INQUISITION! The Jurisprudence of any type of INQUISITION was HERESY which caused an event world-wide that produced a lifestyle that identified a culture when another lifestyle or Culture came into power that was different. Members of the old culture became HERETICS. HERETICS or HERESY had nothing to do with Religion. It deals primarily with a particular philosophical system which has been isolated as a Sect.

EXAMPLE: The CURRENT White Man system is openly called: THE VICTORIAN MORALITY CODE created from ARISTOTLE'S -TOPIC OF TOPICS Intellectual thinking and this same thought system was used in the re-translation of the Christian Bible.

Should another Culture replace--the one in the United States, the old members become HERETICS, is what happened in Europe. One White group sold their land Titles to another White group. They were both Ethnoically the same, except one believed in the tribal system while the other believed in the race system. How INQUISITION came into the nations business- was one group who was the same Ethnic background as the other, accused the other of violating one catagory of 11, in International Law, In the case of Europeans, it was in the catagory of War Making and procedures.
