

that St. Michael promised if everybody would accept Christ as their Savior verified by HALLEY'S COMET that passed the Earth between 10B.C. and 0 A.D. as the star of his birth, Darkness ~~was~~^{would} stop. The following day the Sun gave its light. Tribal power had been broken and there was a new religion. Chronicon Claustro-Neoburgense (of the Monastery of Neuberk, at Vienna); Pez, Scriptorum rerum Austriacarum, Lips 1721, tom. i., p. 458.

February 1491A.D. The AÆRIUS EMPIRE sold the old roman territories back to the descendants of the old Roman Empire.

1547A.D. 28 years after Hernando Cortéz landed in the America's, next to the last time this Darkness ritual would be used. It was on the Spring Equinox and Good Friday of the new religion- a battle raged between a Roman leader named CHARLES the V and a tribal leader of the Saxon tribe. They were battling. CHARLES the V who had all the weapons of war purchased from the old AÆRIUS EMPIRE was every bit as powerful as the old Legions of Rome but could not defeat this Saxon tribal leader with his band of Warriors because when CHARLES the V started his attacks, the Sun would give no light and there would be total darkness. This was on April 23, 24, 25, 1547A.D. (Kepler, Paralipom, ad Vitellium, quibus Astronomiae pars Optica traditur 1604 p. 259; Stella Nova in Serpentario, p. 113.) There was no winner or loser from this Battle. However, it proved White Tribes knew in full, they no longer knew these rituals of darkness found in the original Bible first printed in 451A.D.

Historians cannot deny that these tribal rituals had caused the Earth to suffer from the lack of growing foods. It is well recorded that through the 1800's, the Fruit Trees in their season, were given to the privileged and the only known crop in Europe was Cabbage that the people knew how to fry, boil, and can hundred different ways but it was a member of the family that had to donate a knuckle of a finger to give the Cabbage flavor.

American Indian tribes had obligated themselves to a treaty signed with the old AÆRIUS EMPIRE that the New civilization was obligated to fulfill. In exchange for American Indians permitting their fruits and vegetables to be planted all over the world to stop world hunger, Indians would be made World Citizens and protected by Armies of ^{the} world so they would not be harmed.

Some call this Treaty- THE EYE OF ISIS; other call it- THE CAMEL'S EYE; and others call it- THE EAGLE BOWL.

THE AMERICAN INDIANS had fulfilled their obligation but European nations have not. This was the first duties of COLUMBUS and CORTÉZ.
