

But SITTING BULL did know that the new teachings of Wovoka were in direct conflict with the old religion. Wovoka's new religion of "The GHOST DANCE" had caught on among the Sioux. But it also strengthened the followers of the Ancient religion.

SITTING BULL, CULL, RED CLOUD and others knew that the Black Hills was the place the Prayer Disc and other ritual grounds, was the place that would have to be destroyed if Wovoka's new religion was to be successful.

But nobody could get to the High Priest of the Old Religion without SITTING BULL'S permission, so he had to know the old religion.

From October 9, to October 16, 1890- KICKING BEAR talked with SITTING BULL trying to convince him to change his ways. The Army had to come in and carry KICKING BEAR out land away from SITTING BULL. On December 15, 1890 under a unique plan according to history SITTING BULL was shot to death. Legends among the Sioux state he was stabbed, to death by his brother.
