

QUINN'S CALCULATIONS

A MATHEMATICAL CONCEPT TO CALENDAR
TIMES AND WHEN TRIBAL RITUALS SHOULD
BE SUNG OR DANCED OR PERFORMED

THE ONLY HISTORICAL REFERENCE THAT CAN BE USED TO BEGIN WHICH CAN BE FOUND IN N.A.S.A. COMPUTERS, IS, THE IDES OF MARCH.

THE YEAR IS A LITTLE MORE IN DOUBT, BUT THERE ARE SOME WHO STILL GO BY THE JULIAN CALENDAR. SO IF 1990(GREGORIAN) IS 6703(JULIAN), THEN WE ONLY HAVE TO DEDUCT 1990 FROM 6703 WHICH EQUALS= 4713(JULIAN). 47 FROM 4713 EQUALS= 4666(JULIAN) OR 45BC.

'THE BIOGRAPHIES' FROM DOUBLEDAY'S DICTIONARY ON P.892; IT GIVES THE BIRTH AND DEATH OF GAIUS JULIUS CAESAR AS 100BC. TO 44BC.

IN 'PLUTARCH, IN JUL.CAES.CAP.87; DIO CASS. XLIV.; VIRG. GEORG. I ,466'
IT GIVES THE DEATH OF JULIUS CAESAR AS 45BC.

THERE IS A DIFFERENCE OF ONE FULL YEAR

THERE COULD BE TWO DIFFERENT ARGUMENTS FOR THIS DIFFERENCE!

(1)GREGORIUS ABU'L-FARAGIUS, SUPPLEMENTUM HISTORIE DYNASTIARUM DID NOT USE THE ADDITIONAL YEAR NEEDED TO GO FROM JULIAN YEARS TO GREGORIAN YEARS. (BC.ZERO=365 DAYS; AD.ZERO=365 DAYS)

(2)DOUBLEDAY SCHOLARS WERE USING QUOTATIONS FROM HISTORICAL DOCUMENTS AND WHEN THE GREGORIAN WAS BROUGHT INTO USE, 1582AD., THERE WAS ONE COMPLETE YEAR DUE TO LEAP YEAR DAYS.

THE ADJUSTMENT FOR 12 DAYS WHEN STARTING THE GREGORIAN, WAS TO DEDUCT OVERSTATING TIME FROM LEAP YEAR DAYS. SO THE YEAR OF 1582 AD, HAD ONLY 353 DAYS.

TO SAY THE IDES OF MARCH, 44BC OR 4665 IS PRETTY CLOSE TO BEING CORRECT. SO THE JULIAN STARTED MARCH 15(FULL MOON) 45BC. OR 4665

4666 YEARS JULIUS CAESAR STARTED WITH, TELLS US(BECAUSE IT STARTED FROM AN ANCIENT CALI YUG CALENDAR) 1+TIME SERPENT, LEAVING 1-TIME SERPENT ONE COMPLETE FIRST-BORN EQUATION, 1/10 FIRST-BORN CYCLE USED, AND A SABBATH CYCLE STARTING AT HIGHNOON ACCOUNTS FOR 4666 YEARS.

FOR THE SUCCESS IN THE ASSASSINATION OF JULIUS CAESAR, IT WOULD HAVE TO HAVE BEEN DONE ON MARCH 27,44BC. AT 12:09AM WITH 11.264 DAYS BEYOND THE NEW YEAR RITUAL; THE WAR EQUATION FOR THE FIRST-BORN EQUATION AND THE 5 CYCLE OF THE FIRST-BORN.

THE WAR NUMBER FROM THE TIME SERPENT.

THE 2ND. MOON 1/4 QUARTER

THE ASSASSINATION OF JULIUS CAESAR WAS NOT SUCCESSFUL, BECAUSE ONE OF THE REASONS JULIUS CAESAR WAS ASSASSINATED BY THE ROMAN EMPIRE, WAS BECAUSE HE FORCED THE ROMAN EMPIRE TO HONOR A TRIBAL TREATY OVER 1000 YEARS OLD. THIS WAS WITH THE KLEOPATRIA WHITE TRIBE.

THE KLEOPATRIA WHITE TRIBE HONORED JULIUS CAESAR'S DEATH BY DOING A TRIBAL RITUAL WHICH CAUSED THE SUN TO BECOME PALE AND NOT GIVES IT LIGHT FOR A FULL YEAR WHERE CROPS COULD NOT RIPEN, SO THERE WAS A MAJOR CATASTROPHE THROUGHOUT THE WORLD BECAUSE THERE WAS NO FOOD.

THIS REFERENCE CAN BE FOUND IN:(PLUTARCH, IN JUL.CAES.CAP.87; DIO CASS,XLIV.; VIRG.GEORG.I,P.466)

A COPY OF THIS TREATY CAN BE SEEN WHICH SITS IN CENTRAL PARK, NEW YORK CITY, AND IS CALLED- CLEOPATRIA'S NEEDLE.

THIS IS A WHITE TRIBAL TREATY TO BE VIEWED BY MEMBERS OF THE WHITE RACE.
