

The concept of a "ZEMBA" which was a three-pointed stone object having engravings on it, were the mathematical equations to arriving at future events found on the AZTEC STONE. The "ZEMBA" is one of many concepts of "THE GAU" by the Indian of the America's. It is used on the tribal Clan Prayer Wheel. It can be closely associated with an Indian traveling stone.

With all this, you can now sit down and imagine the rest. The Church high Priest along with the Spanish General walking among the slaughter of the Aztec Indians. The Priest stops and walks to a young couple with children about be to killed. He speaks to the Indian Man, "Bow down to me as your God or die!" With fear in their eyes, this Indian family stand unmoved and it is the Young Indian Man that speaks. "Ten years after you kill me, the disease you invented(Black Plague) will no longer have the power to help you conquer other nations." The Priest orders the couple to death. The scene is repeated many times and each Indian couple relate a future event.

"On April 23,24,25, 1547 A.D. your own kind who have been studying Clan Equations and the Trail of the Great Serpent found on the AZTEC STONE will cause a world event which will take away your voice in the world nations."

"Early in the 1900, an Indian will take away your power to rule nations along with the government. There will a separation between your God and the government of the nation."

"In the 1990, you will be forced to take on the Intellectual concept that you have taught your members to hate."
