

Historians cannot deny that these tribal rituals had caused the Earth to suffer from the lack of growing foods. It is well recorded, through the 1800's, the Fruit Trees in their season were given to the privileged and the only known crop in Europe was Cabbage and that the people knew how to fry, boil, and can a hundred different ways but it was a member of the family that had to donate a knuckle of a finger to give the Cabbage flavor.

American Indian tribes had obligated themselves to a treaty signed with the old AERIUS EMPIRE that the New civilization was obligated to fulfill. In exchange for American Indians permitting their fruits and vegetables to be planted all over the world to stop world hunger, Indians would be made World Citizens and protected by Armies of the world so they would not be harmed.

Some call this Treaty - THE EYE OF ISIS; others call it - THE CAMEL'S EYE; and others call it - THE EAGLE BOWL.

THE AMERICAN INDIANS had fulfilled their obligation but European nations have not. This was the first duties of COLUMBUS and CORTEZ.

AERIANUS. This medieval Latin word, tells one, it was incorporated into the KING JAMES BIBLE done by the BEDE (Bede) SCHOLARS of England.

Follower of the Heretic AERIUS, descendant of HAGAER (Gen.21:9; Ps.82:7)  
White Tribal Members were descendant of HAGGAR;  
According to Accords from The CRUSADES, White Race  
Royalty were descendants of the tribe of ISREALITES.  
These White Tribal Members (ANTHROPOMORPHUS) believed  
in attributing a human form to GOD (Christ?)  
They were ACEPHALUS or headless without a Feudal Lord  
having One Leader who had to know all spiritual laws.

The prosecuting Attorneys for the INQUISITION TRIALS had to give some type-explanation for the advanced knowledge these tribal people had for the charge of AERIMANTIAOR, Divination by Air-Aeromancy.

The explanation opens up a BIG jar of worms. It fills in some of the Unknowns on THE VERO and MELBOURNE MAN of today.

They were accused of acquiring this knowledge from documentation of ALTANUS (Atlantis) who were people believed in Flying High AETHER in the Fiery regions above the Air, from the country that had a Flag of the TWO-HEADED SNAKE OR SERPENT (AUPHISARRA).

and that the people knew how to fry, boil, and can a hundred different ways but it was a member of the family that had to donate a knuckle of a finger to give the Cabbage

flavor.
