

I could be mistaken, if a figure of how many people still know and understand the meanings of the notes to THE SONG OF ST. JOHN THE DIVINE. About as many as can be found on both hands! It could be alot less too! For one reason.

None of the languages spoken prior to 1500A.D. exist as the records, schools, and individuals that spoke them have been killed for knowing it. So the true meaning of these words are not known. Now go back to the first page on THE SONG OF ST. JOHN, THE DIVINE.
