

treaty stipulations letter perfect. I have always found that the U.S. does not violate treaties but Indians who do not understand the truths to treaties violate treaties.

There was ^{one} fact or truth that this study concluded that wiped all and any historians out as having any contributing evidences to world history.

THAT SPAIN, AS WE UNDERSTAND THEIR EXISTENCE SINCE COLUMBUS, DID NOT SIGN THESE TREATIES, HOWEVER THEY WERE SUBJECT TO THEM IN THE PAST AS WELL AS THE PRESENT.

After the occupation, there were many questions in my mind to this document called: AN INDIAN MANIFESTO, because teachings in Institutions of Higher Learning had nothing to give as a reference.

Who was the nation and its leaders that signed these treaties with Indian tribes?

What nation approved and signed these treaties that still exist today?

What period of time did these treaties exist in world history?

If Spain was subject to them and there are no treaties signed between Spain and Indian tribes, yet Spain is part of them, then they had to come into existence before the days of Columbus.

In the year 1984, I found refernces that gave a clue to the nation that signed these treaties, but it ended there.

Even though this nation or Empire existed for well over 700 years which can only be found in world or collegant dicshinaries, its existence had been earsed from world history documentation.

The answer to any of these questions that the world could not answer, forced me to return to the American Indian people.

In 1986 the language and empire was known by name by ancient Indian people who stated that it was once a death penalty to know the empire, language

does not violate treaties but Indians who do not understand the truths
to treaties violate treaties.

There was/élalât or truth that this study that Wiped all
and any out as having any contributing evidences to world
history.
