

OLLIN MOVEMENT
second circle

On the outside of the SUN GOD, we have what has been named, THE OLLIN MOVEMENT. It is quite different, if you will note on those parts identified by others.

The place at the bottom, was omitted by the church in their interpretations because they could have never sold the idea that people who believed in human sacrifice, could have five days that belonged to THE CREATOR, GREAT SPIRIT. The Pueblo's of New Mexico called them, THE QUIET DAYS, while other tribes call them, THE NEW YEAR DANCES.

Next, it states that the main Clan lead the journey with four other Clan helping in the Equations 600,608,650, 637, and 666. The four quarter of the earth are also mentioned, which brings the life-span of the Great Serpent into it, but it is not found on this circle. But there is no mention to what the event could be. Bear in mind the civilized concept or what Indians call, THE WHITE MAN use what is the four corners of the Earth.

It is this second circle that opens any number of assumptions of what truly did happen to these people. The AZTEC STONE no more then tried to

On the outside of the SUN GOD, we have what has been na'me`d,'" _THE identified by others.

The place at the bottom, was omitted by the church in their interpretations because they could have never sold the idea that people who believed in human sacrifice, could have five days that belonged to THE CREATOP., GREAT SPIRIT. The Pueblo's of New Mexico called them, THE QUIET DAYS, while other tribes call them, THE NEW YEAR DANCES.

Next, it states that the main Clan lead the journey with four other Clan helping in the Equations 600,608,650, 637, and 666. The four quarter of the earth. are also mentioned, which brings the life-span of the Great Serpent into it, but it is not found on this circle. But there is no mention to what the event could be. Bear in mind the civilized concept or what Indians call, THE WHITE NAN use what is the four corners of the Earth.

It is this second circle that opensany number of assumptions of what
