

O KAY! CIVILIZED RELIGIONS OWE THE AMERICAN INDIAN AN OPEN APOLOGY FOR THE CHANGING OF SACRED WORDS THAT CAUSE THE DEATH OF AFEW TRIBES.

Hold it! Let this poor dumb Savage catch up.

A P O L O G Y. from the Greek, apologia meaning from the expression. The word APOLOGY is a science in the language. To serve two functions.

- (1) To present a defense against the subject or issue and put the offense in a neutral position without any issues.
- (2) To look back upon with a feeling of distress or loss for some past event, act, or deed only and give a polite refusal to accept any responsibility to the future events or acts or deeds to the original issue.

I got to hand it to you! Pretty Cute! I wonder how many Indian tribes of the past fall for this one. It really doesn't matter because it is not the American Indian that is to receive the APOLOGY.

This APOLOGY must be made to the CREATOR, GREAT SPIRIT, A N D WORLD MAKER who have a counter-science to the outcome of this APOLOGY.

Every religious or Occult person knows it and it cannot be changed. One cannot use, TURN THE OTHER CHEEK, because who among you dares to slap the CREATOR and state that one must turn the other cheek.

It is RETRIBUTION before anyone can be restored or receive spiritual promises or gifts.

RETRIBUTION. this to comes from the Latin, meaning back-tribuere. The breakdown of this word is a humm-dinger and there is no way in Heaven or Hell it can be fulfilled. Were on the subject of what has been done to the American Indian Spiritually, not the taking of lands or his resource or even the killing of complete tribes. To kill every American Indian in North or South America will not change it. To kill every Indian would now make it even more impossible because to change the Bible or other spiritual writings back, would be void, because the CREATOR stated that the Indian would lead the way through the Vail and not one who knew the Indian and knows the way.
