

In the beginning, the U.S. signed a treaty with the Iroquois Confederacy which was done by Wampum Belts, the U.S. was asking for permission to exist as a nation without any land base. You see legally, the United States has a land base of about 35 square miles. 18 square miles can be found in the state of Minnesota and 17 square miles in the state of Washington.

If you can get the American Indian to believe he is a citizen of the alleged state he is living in and the United States without going to an immigration department, which is International Law, the Indian is an incompetent and a lower class of citizenship who stands in the way of progress, so his lands must be taken. As long as this Indian believes in this Doctrine of Occultism, the country can continue to exist. Two Federal Statutes would send any licensed attorney to prison for divulging these facts to the Indians.

It is OCCULTISM, because one is not to divulge but conceal and block any inquires.

The next/^{time} your church leader states, that his God gave him these lands and blessed it, ask him for Scripture and Verse that gives the authority to steal from the CREATOR, GREAT SPIRIT'S chosen.

I find only one authority that gave such privileges. The Dictionary at one time classified the Indian as a Sub-normal human and for this reason, in the early 1800's one could go to the local butcher shop and buy an Indian steak which had been blessed for eating. (now who could bless human meat for eating? The descendants are still around.)

The human steak was now cooked and eaten. religious prayers were now given to this God in which more Indians would be killed and eaten (Whose The Savage, Wilson), property taken for having a religion of Witchcraft.

Remember! I've seen the Holy Bible on display that is against all types of Witchcraft and this Bible is covered with the skin of an Indian.

How dangerous it is to live in this society, knowing that their religion refrains them from eating meat and pork on a certain day because it could
