

Inoculations and Vaccinations are called: THE BATTLE-AX OF SATAAN, by some Ancients. What the American Indian called: THE DANGEROUS WEAPON OF THE EVIL SPIRIT. These are translations handed-down two migrations back.(Ice Ages). These Ancient's description of it cannot be denied by the medical profession. WHEN POISON IS IN THE BODY, TO SAVE THIS BODY FROM POISON, THEY PUT POISON INTO THE BODY. These Ancient opinions were not against the medical profession, but against the keeper of spiritual laws. What this does spiritually to everyone is to keep people from the fellowship and communication with the CREATOR, GREAT SPIRIT by asking the creative force to heal them. Everyone would have to agree, that anything that would prevent the fellowship and communication with the CREATOR is Witchcraft.

On September 10,1984 Pope John Paul II, spoke to some Indians in Canada.

"An acute sense of the presence of God, love for your family, respect for the aged, solidarity with your people, sharing, hospitality, respect for nature, the importance given silence and prayer, faith in providence.....Guard this wisdom preciously."

Today we can find the Sacred Pipe, thw Sweat Lodge, and Sweet Grass ceremonies part of civilized rituals for some Indians. But it is the Pipe that re-appears after decades of being classified as "Witchcraft". which the church claims, to have misunderstood its purpose and meaning. I can only say that this misunderstanding of the ritual cost the lives of close to 7 million Indians in California in a 12 year period of time. Thats more than Hilter killed.

However, the rituals named and the passage of:THE AMERICAN INDIAN RELIGIOUS FREEDOM ACT by Congress in 1978, tell you that something is wrong and somebody better find out what because there is not that much time left spiritually for the elite of the world to escape the problems in the coming migration.

back.(Ice Ages). These Ancient's description of it cannot be denied by the medical profession. WHEN POISON IS IN THE BODY, TO SAVE THIS BODY FROM POISON, THEY PUT POISON INTO THE BODY.
