

SIX HUNDRED THREESCORE AND SIX

Perhaps the great success that christian sects have had with the conversion of the American Indian from their Ancient religion to one of many Divisions to the ISIS concept, has been the story telling of who is the Beast of 666.

In the beginning of American, English, French, and Spanish history, The Indian of the America's encounter with the Gospel had some frightening after-effects. In this first encounter, every Indian at the time knew about the TIME EQUATION of 666. When the Men of the Cloth related some of the crimes that would be committed by the person of 666, to the Indian this mean't the Prophets and Medicine people of his tribe. Christian type conversion became easy, because such crimes were a violation of not only tribe law, but Clan law also.

To this day, Indians still believe, these crimes would be committed by other tribal members if they permit traditional rituals as a way of life again.

The Bible identifes this individual very precisely that is of course, if you have some knowledge to the Ancient Tribal language of the White Man.

Turn with me to the Bible, book of Revelation, chapter 13, verse 2.
 ".....and the dragon gave him his power, and his seat,
 and great authority."

The key word here is: DRAGON. Just what is the true meaning of the word DRAGON? Its meaning comes from the Language of the whiteman, C H I E F

Not the top or main Chief, which would be PENDRAGON, but a common Chief. The Translators of the Bible did not make a mistake, because in the old testament, it mentions Chiefs and Headmen of the tribes of Isreal while the Jews had Masters or teachers who were adopted and did not know their Clan or tribe. Most Indians today still know that Clan Mothers are the only ones that can elect a Chief or in this case, a DRAGON.
