

## T H E C R O S S

You can start the organization for an INQUISITOR for the CHRISTIAN INQUISITION at any time, however, you must overcome law such as THE AMERICAN INDIAN RELIGIOUS FREEDOM ACT of 1978, which has now made the religious beliefs of the Indian, A NATIONAL RELIGION.

Lets get one thing straight, spiritually! To be a Red-blooded, Flag Waving Christian, you must get rid of all Hertics and Heathens. In these duties, your flag, or emblem, or sign is-  THE CROSS. WITHOUT LOVE.

Many wear it as a religious good-luck----|----piece and it can be found on top buildings where people who believe in THE CROSS come to worship.

This sign is a modern, upgrade, modification to another modification, which can be traced back to the original sign and beliefs that traces it back to Jesus Christ who was killed on the Cross.

THE FIRST MODIFICATION. The standard Indian word for it is-UGH!  
In a Serpent concept language, it means-THE PLACE OF EVIL GODS IN THEIR CEREMONIES. THE SIGN OF DEATH, EVIL DESTROYER, THE INVENTORS OF WAR, ect.

Jesus Christ was killed according to all civilized rituals that deal with an Ancient who demonstrated the powers of the Ancients. This place called THE SKULL(Golgotha), which means A WITNESS AGAINST THE ANCIENT, was where he was crucified. Crucify is a Latin word(crucifigere-fasten to a cross)which was a death for all Ancients who were known to have any Ancient power.

This is the sign that crucified Christ, which is a modification of the treaty sign called: SOLOMON'S SEAL.

Almost every Indian tribe in North and South America has a word for this sign. In mine(Dakota or Sioux)it is SHE-S'CHA'

The civilized elite have a very exact meaning for this sign., and it used as late as the East India Company in dealing with the American Indian, which has now become an Organization for Indian Women.
