

"IF THERE IS A GREAT SPIRIT, IT WILL RELEASE HIM FROM THE WHEEL.  
IN HIS OATH, HE HAS SWORN BY THE GREAT SPIRIT, SO HE WILL BE TRIED  
BY THIS OATH. IF HIS OATH BE TRUE, THEN SOMEONE HE CALLS THE CREATOR  
WILL RELEASE HIM."

Now, Christ never made it off this cross or wheel, so one is led to believe there is no CREATOR or GREAT SPIRIT.

Every christian church teaches Christ died for your sins. Just what were these sins?

Everyone who could be a descendant of an Ancient, the death of christ proved that the CREATOR, GREAT SPIRIT does not exist but GOD and JEHOVAH do and all you have to do is believe. In the Greek, it is SO SO, meaning the same thing.

Today, we have the Cross  in Latin, it is Crucifixus which represent an effigy of someone that was hated by the one that uses this sign.

There is one event in world history, that writers cannot take Christ out of an individual who believed in Ancient ways (Ideler, Handbuch der Mathem Chronologie Bd, ii., p.417, 515-520; Matt.27:45; Luke 23:45)

This is a sign, if Indians of today knew what it meant, they would hang their heads in shame. It was made by Indians who were slaves and lived under conditions, they called a period of tears. Just like the CHEROKEE in the Trial of Tears. When Indians of the America's call a period of time a condition of tears, it is a condition that humans are tortured and torment that languages cannot describe it. Can you imagine pain and torture that cannot be described in words or expressions?

If one should ever travel around the world, first visit a city called: TAXCO, in the state of Guerrero, MEXICO.

In this mountain area, the first object one sees coming into Taxco, is a Cathedral with twin 40 meter spires flanked by tiled domes and it is the tiled domes one can see this sign. Visit the inside and see the engineering problems the Indians had to overcome to build this Cathedral in 7 years
