It is more commonly known today, as THE INDIAN MEDICINE WHEEL. Few people, including Indian Medicine People, still remember that it is the THIRD COVENANT handed-down from the CREATOR, GREAT SPIRIT that deals directly with Ancient UNBORN. Indians of the America's cannot deny that the culture and lifestyle is maintained for the UNBORN only and any tribe that has forgotten this, is soon to be or is already terminated.

This THIRD COVENANT was the results of Indians Prophecying under Ancient Rituals for the protection of the most innocent of all creatures, CHILDREN.

Soon after many Ancient nations were terminated or destroyed, history records that the world was caught in a paralyzing fear and at any moment another Ancient nation would use these Ancient equation and there would be a retaliation for the acts done to children, so the civilized world thought. This fear was to continue for over 2,000 years and it is well believed, it soon ended after KING HEROD of Ezra's Christian Bible had all the male children destroyed.

The civilized nations fell into a period where the nation's children were the greatest fear. Any child could be a direct descendant of Ancient Lineage and could still be possessed with the same powers that would bring the awesome Power, Signs, and Miracles that standing armies and Implements of War had no defense against.

Any child born that was believed to be a descendant of the Ancient's, was whipped when it cried, some were hung by their heels, and in some countries, their tongues were cut-out in fear any sound could destroy the world.

The world was full of unwanted children, herds of Orphans roamed and wandered the country-side. Remember! this was the law from the christian doctrines. However, some Ancients set about to synchronize time and use tribal equations, which commanded THE CREATOR, GREAT SPIRIT to make an Ancient Nation from these unwanted children.
