

only legal citizen of North and South America, as the Indian of the America'

To do this, the major signers of these treaties had to be destroyed which would also destroy the sub-signers such as the Pueblos of Arizona, Texas, Colorado, California, Nex Mexico, and Nevada who were the Indians that won the war between the United States and Mexico according to the Treaty of Morango.

Now these Indians had to be invaded by Soldiers that were not from any civilized nation including Spain, Germany, Austria, and the Vatican.

In these days in civilized history, they had what was called: PIRATES who were used to invade Aboriginal nations. History records such a group called: CORTÈS and his FREEBOOTERS. Even though he was classified as a typical man of the feudal age of decadent Spain, uneducated, irreligious, lusting for fame, power, and gold- his day to invade and make war on the Indian of the America's could only have been given to him by someone who was<sup>a</sup>/scholar, educated in Ancient knowledges, because the five days(called the Quiet days)the Indian could not work or labor but be in rest.

This invasion came on April 21, 6232(Julian), ~~8564(Aztec)~~, and 1519 (Gregorian). 26 years after the signing of treaties.

What was the purpose of this Invasion? Civilized history is precise in the reason for killing 100 million Indians. To replace the faith or religion of-the Indian with another. Today we know as the faith of CHRISTIANTY.

So, I can now answer the question my Cun"She(Grandmother)asked me to leave my reservation and find the answer.

"Why will not the United States look at the Treaties?"

"BECAUSE OF RELIGION!"

If one was to reference the book: MEXICO MYSTIQUE, by Waters, Swallow Press; pp.305 through 326 there are no references made to any of these treaties. In fact there are no references to treaty parties prior to 1519 a.d. In the study made by the Department of the Interior after the war

To do this, the major signers of these treaties had to be destroyed which would also destroy the sub-signers such as the Pueblos of Arizona, Texas, Colorado, California, New Mexico, and Nevada who were the Indians that won the war between the United States and Mexico according to the Treaty of Gadsden.

Now these Indians had to be invaded by soldiers that were not from any civilized nation including Spain, Germany, Austria, and the Vatican.
