

religious WATCHERS, on old calendars. They have sophisticated theories on the 360 day calendar, 364 day calendar, 365½ day calendar as compared to the Solar Calendar of 354½ day calendar and it goes on forever.

All the books by these scholars shows one thing. They do not know how a Moon calendar is made up which is second nature to an Indian. If they stopped to listen to any Ancient, they would learn Ancient Mathematics which would have showed these scholars, the arrangement and sequence that Sabbaths are to follow each other..

All these scholars writting on ancient books, provide two religious facts.

- 1) At the time the New Testament part of the Bible was written, in that part of the world, correct ritual time was lost. Their Autumn Feastival was replacig the New Year Dances. The Autumn Feastival was replaced by THE DAY OF ATONEMENT, which means THE DAY TO REMEMBER.
- 2) All scholars in their translations of ancient writtings agree on 2 religious facts.
 - a) Any Ancient Song or Dance or Ritual or Feastival is not to be done advanced in time which the Gregorian calendar does.
 - b) No religious person is to postpone a ritual or feastival.

There you have the Spiritual law on Song and Dances and Rituals and Feastivals. Your not to have them to early or to late, but on time.

What I'm trying to do, is find the correct time because it is already visible that someone other then an Indian changed these times and as they are being done, does more harm than good. There is no Spiritual violation if one searches because one has excepted the truth, they do not create the situation by a demestration of events that are to follow, if these rituals and feastivals are done on time.

Of all the translations of Ancient writtings, blame is put on a WICKED PRIEST for getting out of time synchronization, Who do we, as Indians, blame from the five Catogorys mentioned earlier?

From research, we do have times that can be calculated and tested, that will start our journey back to Spiritual power.

religious WATCHERS, on old calendars. They have sophisticated theories

on the 360 day calendar, 361», day calendar, 365% day calendar as compared to the Solar Calendar of day' calendar' and it goes on forever.

All the booke by these scholars shows one thing. They do not know how a- Moon calendar is made up which is second nature to an Indian.

If they stopped to listen to any Ancient, they would learn Ancient Mathematics which would have showed these scholars, the arrangement and

Sequence that Ssbeths are to follow each other..
