

My name is MEREDITH QUINN, according to the civilized method of identifying an individual who is alleged to be a member or to become a member to a PATRIARCH SOCIETY, with birth identity to come from the marriage between a Man and Woman classified as Persons, with descendant coming from the Father only.

The Woman is omitted in PERSONS, as not to confuse membership to the Ruling Class of the GREGORIAN DYNASTY. (389 F.Supp.235-Jan.17,1975)

The Legal Classification to the identity of PERSONS is both Selective and Restrictive because it is used by individuals, not having the right to it.

42 C.J.S. 1, pg.647, par. 1; 42 C.J.S. 28, pg.688, par.1

A PERSON, also known as HUMAN BEINGS, are White, civilized, European or European descent, legal citizens protected by the Constitution.

Along with the name MEREDITH QUINN, is another name of MUSA, according to Tribal Traditions of the Santee Dakota, given by a HEAD CLANMOTHER, that identifies the individual as the same CLAN MEMBER (Eagle) as the CLAN MOTHER, who has been appointed to a Society and the Sciences or Traditions that are to be carried on. MUSA is a member of a MATRIARCH SOCIETY. This is his birthright.

MUSA or MEREDITH QUINN, has established the fact, the Society and/or Educators of the members of the White Race, and not the Society and/or Educators of the members of the White Tribes, belonging to the Arianus Empire; sought and by Law received the right to Educate American Indians and their descendants in the civilized lifestyle, with a International PROVISIO, that is not to Violate but protect TRIBAL CUSTOM AND USAGE of the AMERICAN INDIAN; filed with the INTERNATIONAL COURT in Hague, February 18, 1493. This can be further cited by an International Treaty or Accord with the Obligations to the Stipulations following on the WHITE RACE or CIVILIZED NATIONS and/or VICTORIAN MORALITY CODE and/or HAGUE ACCORDS, or/and LEAGUE OF NATIONS, and/or UNITED NATIONS, that received it's JURISPRUDENCE or SECUNDUM from the VATICAN, with an agreed TE DEUM filed with THE INTERNATIONAL COURT in Hague, February 18, 1493.

THE ESTABLISHED FACT, with the International PROVISIO, had been provided with all the necessary legal functions (i.e. 46 USCA 4100-4116 and others) to assure and protect TRIBAL CUSTOM AND USAGE of the American Indian while in Educational Institutions of the United States as a Student.

HOWEVER, Educators and/or Scholars of the White Races, having Selective and Restrictive Educational Policies that is to keep and maintain certain Categories of PERSONS and their Descendants in Education; are responsible for keeping certain category of PERSONS in total Ignorance and Stupidity to Scientific Facts, if known by these Ignorance and Stupid PERSONS, WOULD HAVE MADE THEM, THE ELITE or PRIVATE PERSON.

These Educators and/or Scholars of the White Races, through a Covert Concept due to Educational Policies for the Ignorant and Stupid PERSON, did select the American Indian as a Student, as a Ignorant and Stupid individual because of education; because the International PROVISIO was permitted to be violated, HOWEVER, the PROVISIO is TRIBAL CUSTOM AND USAGE and the so-called elite Sciences are taught to Indians as small children traditionally, with the most common, is the Theory on The Speed of Light, Time :
